

Custom Emote Order Guide

Thanks for choosing OldCoot & Joe for your custom Twitch emotes!

Here's how to place your order and what to expect:

1. Place your order directly through the store.
2. Once your order is placed, please send an email to order@oldcootandjoe.com with your Twitch/Discord name so we can match your order to you.
3. Share your ideas, references, or inspiration (Discord or email both work).
4. We'll get to work and keep you updated as your emotes are created!

Revisions Policy:

- Unlimited small tweaks and adjustments until you're happy.
- If a completely new concept is requested after delivery of the finished set, that counts as a new order.
